COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Washington, D.C. 20231

Dear Sir:

Applicants acknowledge the allowance of claims 1, 2, 5-7, 9, 10, and 30 in the subject application by the Examiner with appreciation. Applicants point out that the reasons set forth by the Examiner are not the only reasons that claims 1, 2, 5-7, 9, 10, and 30 are allowable. Applicants agree with the Examiner's Statement of Reasons for Allowance, mailed February 23, 2010 and August 4, 2010, to the extent that the claims of the present application are patentable over the references in the record. However, Applicants do not necessarily acquiesce or agree in any manner as to the comments made by the Examiner regarding what the cited art does or does not teach. In addition, Applicants respectfully traverse the Examiner's Statement of Reasons for Allowance to the extent that any comment is intended or has the effect of limiting a claim scope, explicitly or implicitly, by not reciting verbatim the respective claim language, or is intended or has the effect of limiting a claim scope by stating or implying that all the reasons for patentability are in any way fully enumerated.

Further reasons for allowance beyond those enumerated by the Examiner are described and set forth in Applicants' Specification. As the Examiner's reasons for allowance are not exhaustive, such reasons for allowance do not establish an estoppel against Applicants seeking and obtaining allowance of additional, broader claims in a continuation application, which Applicants reserve the right to file.

It is believed that no further fees are due at this time. However, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayment with respect to this patent application to deposit account number 13-2725.

Respectfully submitted,
